Forum Main Page:

Upload Forum

General
On this page you can find various uploads such as explanation videos or essays from other users. You can watch the posts, comment or give a like. You can also upload something yourself. Be creative and have fun.)

Posts
Here you can see a list of other users' uploads.

Your Uploads
You can simply upload your post whether a picture, video or essay here. Before that, however, your post will be put on the waiting list until the moderator approves your post for other users. Don't wait too long to upload something :) You can also view, edit or delete your existing uploads.

Top5
The five most viewed and positively commented posts make it into the top five arena. Pay attention to the quality of the post! Let's see how fast you make it into the top five arena. Good luck!

Callouts:

- Soll die Funktionalität kurz erläutern
- Weiterleitung zu den erstellten Posts der anderen User (Liste)
- Weiterleitung zur Erstellung eines eigenen Posts
- Weiterleitung zu den fünf meist geliktesten Posts
